This Journal is a peer-reviewed publication and papers should be broadly classifiable as original research, reviews, case reports or news (selected).

The Journal welcomes international material for publishing. We would also like to encourage submissions from new authors, recognising the importance of first publications. All papers should comply with the "Guidance to Authors" document printed on the JFOS website.

All manuscripts, and enquiries should be directed to the Editor by email, when possible.

**The new editor will be taking over from me at Christmas, please excuse any delays until the transition is complete – your work is important to us and we thank you for your patience.**

**All manuscripts, and enquiries:
